A message from our Deputy Principal

AMIE HILL

I am proud to be writing this message today as the substantive Deputy Principal, following my official appointment last week. It is an honor to step into this role with the support of our wonderful school community, and I am excited to continue working alongside each of you. Acting in this position throughout the year has deepened my commitment to ensuring that all students have the resources and guidance to achieve success. I am equally dedicated to supporting our staff with opportunities to develop and refine the craft of teaching.

As we head into mid-term, we embark on the downhill run to 2024, a busy and exciting time for us all. A large number of students are set to participate in work experience trials, a valuable opportunity to gain practical insights and skills for the future. In addition, we are preparing for our acknowledgment days, where we will celebrate students who have shown exemplary behavior and consistent attendance. This is a chance to recognize those who have demonstrated a commitment to our school's expectations and values.

Thank you for your ongoing support, and I look forward to continuing our work together as we make the most of these final weeks of the year.

Girls Fire & Resilience Program Empowering Young Women in Cobar

This month, 22 girls took on the heat and joined the Fire-Up Girls Fire & Resilience program at the NSW Rural Fire Service facilities in Cobar. The day was filled with hands-on, practical activities designed to foster teamwork, confidence, resilience, and leadership, all under the guidance of experienced NSW fire and emergency service personnel, as well as dedicated regional community volunteers. The program provided participants with the opportunity to step outside their comfort zones through a variety of physical group challenges, including a relay race. These activities not only helped build vital life skills but also enhanced their knowledge of emergency preparedness. By the end of the day, the girls had gained a deeper sense of confidence, camaraderie, and the resilience needed to face future challenges—both in emergencies and in life.

Remembrance Day 2024

On Monday, November 11th, students and staff from Cobar High School gathered at the Drummond Park community Remembrance Day Service to honor those who served. A special commendation goes to the members of the Cadet Unit—Malina Bottom, Amara Bottom, Maddie Chaplain, Cooper Vale, Eric Richardson, Buck Newham, Jed McMillan, Alex Cowan, and Ella Geale—for their outstanding display of excellence. Additionally, Isabella Degn beautifully performed the national anthem, accompanied by Ms. Andrew.

Lest We Forget.

PB4L 'Rainbow' Colour Day

Today, students and staff came together to celebrate our PB4L Rainbow Colour Day, embracing the theme with vibrant clothing and a sense of fun. The day was made even more enjoyable with a delicious treat of loaded potatoes.
