# A message from the acting Deputy Principal

AMIE HILL

Over the last fortnight, our school has been busy with various activities aimed at enhancing student welfare, academic progression, and future expectations. On Tuesday week 4 students participated in Positive Behaviour for Learning (PB4L) lesson, specifically focusing on the importance of regular school attendance. Students were shown a snapshot of Student Daily Attendance which we use to identify patterns in attendance and were shown how every minute they are not in class adds up! We will continue to stress the importance of attending school and classes everyday, emphasizing its correlation with academic achievement and future opportunities.

Also on Tuesday week 4, we had two lovely nurses from Community Health facilitate our School Immunisation Clinic. These clinics are held for our Year 7 and Year 10 students and aim to safeguard the health of our student body by providing necessary vaccinations in accordance with national health guidelines. Through collaborative efforts with healthcare professionals, we ensured that our students are protected against preventable diseases, promoting a safe learning environment.

Moreover, the past two weeks witnessed enthusiastic participation in the School-based Apprenticeship and Traineeship (SBAT) sign-ups. This program offers students valuable opportunities to engage in vocational training while completing their secondary education, fostering practical skills development and enhancing employability prospects. The uptake in SBAT sign-ups reflects both student interest in diverse career pathways and our commitment to facilitating versatile learning experiences.

Amie Hill.

## Cobar High School Open Girls Soccer

On May 9th, the Open Girls Soccer Team showcased their skills in a thrilling match held at Parks. Despite not securing victory, the team displayed exceptional sportsmanship and determination throughout the game. Thank you Miss Turner and Mrs Nicholson for taking the girls on this trip.

# PB4L GREEN DAY

On Wednesday week 5, we hosted our PB4L Green Day BBQ event. Students were encouraged to dress in green attire to show their support. Our fantastic SRC team organized a delicious BBQ lunch featuring sausage sandwiches, steak sandwiches, and refreshing soft drinks. Students had the opportunity to use their acknowledgments to make purchases from the BBQ.

# *Congratulations*

We extend a big congratulations to Henry Knight for his outstanding performance at the CHS Swimming Championships held in Sydney last week. Henry's exceptional talent and hard work earned him an impressive 16th place among competitors from across the entire state. Well done, Henry!
